

# Instant-Space™ Decks & Staircases

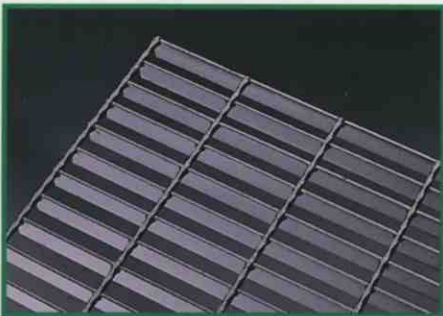

## Decks

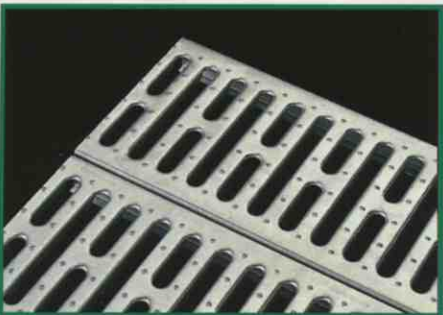

1 1/2" steel deck with plywood, OSB or composite resin board

Diamond plate with 1 1/2" steel deck

Open steel bar grating

2" galvanized open steel planking

Our steel decks are solid underfoot with your choice of durable surfaces.

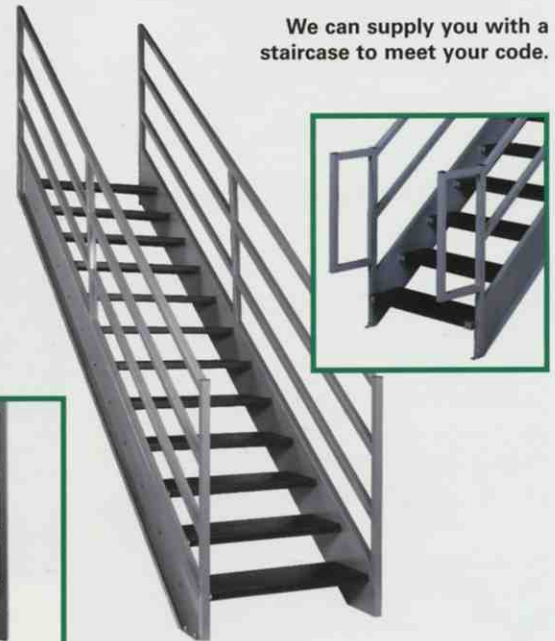

### Staircases with backbone

Stability and strength combine in staircases that are made to last. Cogan staircases fit exactly where you need them: mezzanines, in-plant offices, shelving systems and more.

- BOCA** Building Officials and Code Administrators
- IBC** International Building Code
- OSHA** Occupational Safety and Health Administration
- UBC** Uniform Building Code
- CNBC** Canadian National Building Code

We can supply you with a staircase to meet your code.

Option: closed risers
