

**LAMINATED ANTI-FATIGUE-** The cushioned comfort anti-fatigue solution for most industrial, food, health and commercial applications.

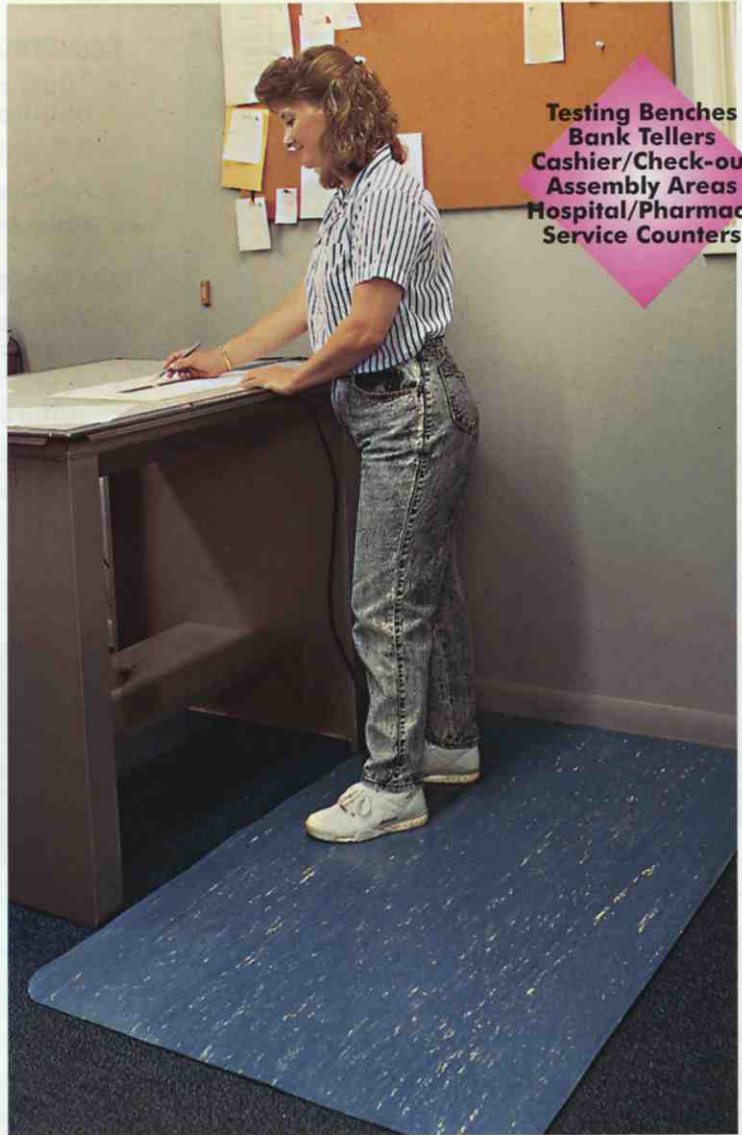

# Cushion Step™

## CONSTRUCTION:

- Marbleized solid rubber or spiffy vinyl surface laminated to a 5/16" vinyl sponge.
- Total thickness of approximately 1/2".
- Available with a 5/16" rubber sponge or a 7/16" rubber sponge back (optional).

## FEATURES AND BENEFITS:

- The mat minimizes muscular stress and tension thereby providing increased relief from fatigue; workers feel less tired and maintain a constant productivity level.
- Wear resistant vinyl or rubber surface allows for easy maintenance.
- Bevelled edges and rounded corners provide additional safety features.
- Available with non-skid Mat Lock backing (optional).
