

SPECIALTY PRODUCTS - The smart and economical solution to specific or unusual needs in all work related applications.

Chair Mats

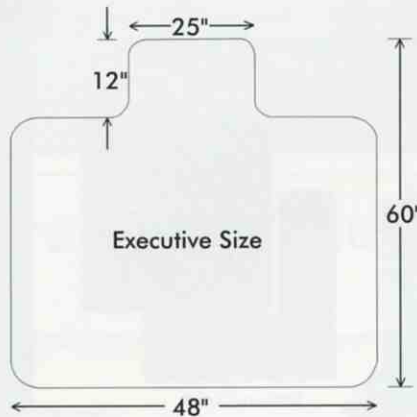

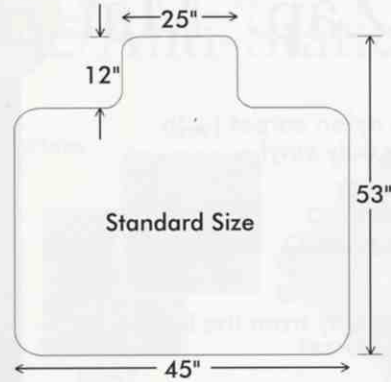

CONSTRUCTION:

- Clear stiff vinyl pad with bevelled edges, a pebble finished surface and carpet gripping notched stubs.
- Available in 4 varieties:
General (low pile or non-padded carpet)
Extra (medium pile or padded carpet)
Supreme (thick pile or padded carpet)
- Colour availability: Clear

FEATURES AND BENEFITS:

- Clear, stiff vinyl pad with bevelled edges and rounded corners to minimize tripping.
- Pebble surface shows less wear and preserves the mobility factor.
- Exclusive notched studs gently grab the carpet, firmly anchoring the mat to the floor.
- Aesthetically blends into any environment.
